

## Poasttown Elementary School - Making my mark on the memory.

I want to have my name or business placed on the tiles of Poasttown Elementary School. Below is the information I would like on the tile but I understand that due to size restraints it may have to be altered to fit.

Personal Name - \$100

---

Where I would like it placed if possible

---

Business Name, address, phone, website- \$150

---

---

---

You may also send your logo but keep in mind it will be one color

I would like my Business placed at the entry welcoming people to Poasttown - \$200

This includes your Business name and information above.

Please email this to [info@ashmorestates.net](mailto:info@ashmorestates.net). This can also be messaged to Robbin Terry or Ashmore Estates.

Payments for this must be made at the Poasttown Elementary School website. Go to the home page and scroll to the bottom. You can click on the Paypal link and make your payment there.

*The lettering on these tiles will remain as long as Darrell has possession of the building. We can not be responsible for vandalism done to the lettering. A replacement of any vandalized lettering may be done at purchasers expense.*
